The Moselle Bike Trail in 9 days

Bicycling the loops of the Moselle in your own pace. The Moselle’s valley seems to be entwined by grapevines; let it take you on a very special trip! On short daily stages, you will follow the wide loops of the river, enjoying your time on the saddle as well as the many worthwhile breaks. Discover Treves and its 2000 years of history, taste the light and fruity wines of the Moselle and walk around the narrow streets of the picturesque villages. You will have enough time for it all!
1. day Arriving in Trier
You should plan enough time to visit the historical centre of the town, the emperor’s thermae and the Porta Nigra (It is possible to arrive by train/ parking facilities at the hotel/ rental bike at the hotel).

2. day Trier - Mehring 23 km
On the Moselle cycle path you leave Germany’s oldest city and roll comfortably past the old ferry tower from Schweich to Mehring. Marvel at the ruins of Villa Rustica, a country house or estate from the Roman Empire. Look forward to the small wine town of Mehring with lovingly designed narrow streets in the center, the so-called Moselgassen, which invite you to take a walk, which invite you to take a walk. Vine-covered gates open the wineries and give an insight into Moselle hospitality. Take a look, the winemakers are happy to have a chat and have a glass of wine with you.

3. day Mehring - Piesport 24 km
The next stage on your bike trip is Trittenheim. Here, you will have the chance to follow a nature trail on the steps of a winegrower, informing you about local grape varieties and the special approach to wine-growing practiced here.

4. day Piesport - Zeltingen 25 km
Look forward to a leisurely rest and enjoy Bernkastel-Kues. Stroll across the beautiful
market square, past proud half-timbered houses and amazing fountains, visit the birth house of Nikolaus von Kues and discover the wine museum. Here you will find information about wine growing on steep slopes, about the different grape varieties, about all the work in the vineyard and in the cellar, about wine storage and of course about wine culture. After this worthwhile break, continue on the bike path along the banks of the Moselle to Zeltingen.

5. day Zeltingen - Bullay 40 km
The vineyards of the „Kröver Nacktarsch“ guide your way to Traben-Trarbach. Complete today's experience with a boat trip on the Moselle. After a break in Enkirch, often designated the treasure chest of the Moselle region's half-timbered architecture, you will reach Zell with the ZELLER SCHWARZE KATZ and then finally arrive in Bullay.

6. day Bullay - Cochem 31 km
Look forward to the small but wildly romantic town of Beilstein with only 160 inhabitants. Many Moselle guests see it as the most beautiful and romantic place on the Moselle, which is also expressed by its nickname "Rothenburg an der Mosel". Stroll through the old town streets and marvel at the picturesque market square from 1322 with the former tithe house, visit the former parish church of St. Christophorus and the old prince-count's winery. Then it goes comfortably on the Moselle cycle path to Cochem.

7. day Cochem - Kobern Gondorf 32 km
In the morning, a detour (4 km) to the medieval Eltz Castle, one of the most beautiful and best-preserved castles in Germany, beckons. In a wonderfully romantic location and embedded in pristine nature, it looks like a fairytale castle that has come true, inviting and majestic at the same time. Take part in an informative guided tour of the castle, discover the treasury and enjoy the wonderful view. Then you cycle back to the Moselle cycle path and roll into the historic wine town of Kobern Gondorf. Visit the ancestral castle of the Princes von der Leyen with the interesting wine museum, the medieval market square with Tatzelwurmbrunnen and the oldest half-timbered house in Germany.

8. day Kobern Gondorf - Koblenz 19 km
The last kilometres take you back through the Moselle valley to the „Deutsches Eck“ in Koblenz, where the Moselle flows into the Rhine. Enjoy the magnificent view over the wide valley of the Rhine.

9. day Departing from Koblenz
After breakfast, your bike trip along the Moselle comes to an end. We wish you a pleasant journey back home.
WORTH KNOWING

Worth knowing about your Moselle-Bike-Trip
Below please find more information about your bike trip. If you have any further questions please feel free to contact us by phone: 0049 - (0)6421-886890.

Arrival by train
From Koblenz Trier is easily accessible by train. We recommend to take a taxi from the station to get to our partner hotels in Koblenz. Current schedule information and price information can be found at: www.bahn.de. Train schedule information

Parking facilities at the hotel
Our partner hotels in Koblenz always provide parking possibilities. Sometimes even free, for the entire duration of your bike trip. There are always plenty of parking spots available, no pre-reservation is necessary. Detailed information on parking at your hotel, you will receive together with the detailed travel documents two weeks prior to departure.

Condition of cycle paths
The quality of the bike tail is very good. There are practical no unpaved or poorly developed path. The route runs almost exclusively on paved roads. From Koblenz you follow the Rhine cycle track, from Sinzig you follow the Ahrtal cycle track, in the Hocheifel you cycle through local bike trails, from Gerolstein you follow the Kylltal bike trail and from Trier to Koblenz the Moselle bike path.

Available rental bikes
If you choose to rent a Velociped-rental bike for the tour, we take it to your first hotel and bring pick it up at your destination. You can choose between woman's and men's bicycles either with 7-speed gear shift and coaster brake or 27-speed gear shift and freewheel or electric bikes. All ladies' bikes have a low opening that makes mounting and dismounting much easier. The bikes are suitable for all ladies from 150 cm in height and for all gentlemen from 165 cm in height. You simply specify your wishes at time of booking.

Transfer back to the starting point of the journey
Daily at 9:00am there is the possibility to transfer back to Trier with a small bus (with bike trailer). (Arrival at 11:00am) The driver comes to pick you up at your hotel and has much room for you, your luggage and where required your own bicycle. The bus takes you back to your first hotel, thus ensuring a perfect return service without transfer and the hassle of hauling luggage.

Train and bus in the Moselle Valley
In the Moselle Valley there runs not always a train. After Trier the train is leaving the Moselle Valley and the nearest station is not before Bullay. After only a few kilometres, the railway disappears in the Kaiser-Wilhelm-Tunnel and only reappears in Cochem. From Cochem the train runs completely in the Moselle Valley to Koblenz. In the period from 1.5. - 31.10. a bus operates daily between Trier and Bullay with a max. capacity of 22 bicycles. Bus schedule information
**Boat trips on the river Moselle**
From April to October there are many passenger ships on the Moselle. Boat docks are available in almost all places on both directions. Often tours are offered. Information about the exact departure times you find at the bulletin boards of the shipping companies. A regular ferry traffic exists between Trier and Treis Karden. [Ship schedule Moselle](#)
